

Monday, 12 July 2021

Dear Kindergarten Parents and Caregivers,

Our online learning portals will be available to students tomorrow. Students can access their learning from activities via the Seesaw 'Class' app. The Seesaw platform will deliver lessons to students and allow them to submit their work back to the teacher for feedback.

To access this app please read the following information.

### **How to Sign up to Seesaw Class**

Your child will use the Seesaw Class app for home learning. This is different to the Seesaw Family app.

If your home device is a tablet or phone, download or update the Seesaw Class app in your device's app store. The most recent version of Seesaw is required for home learning. If your home device is a laptop or computer, visit [app.seesaw.me](http://app.seesaw.me)

### **Log in**

Your child will receive a 16-digit code and a QR code from their teacher that they will use to log in privately to their own journal.

You can watch the video from this link for more information:  
<https://www.youtube.com/watch?v=OHB24Y-ALLY>

*Please keep in mind that Seesaw has 2 apps.*

1. **Seesaw FAMILY** - This is used by parents/carers to view student work and teacher feedback.
2. **Seesaw CLASS** - This is used by the student to connect with their class. Teachers will post classwork on the Seesaw CLASS app during Home Learning.
