

# Year 2 Remote Learning

Hi Year 2 Families and Students,

For the start of Term 3, beginning Tuesday 13th July, we will be returning to remote learning and will be using Seesaw to provide your child with meaningful learning experiences at home.

**Help your child log into the Seesaw CLASS app at home:**

1. For tablets or phones, download the **Seesaw Class App**  
For laptop or desktop computers, **go to [app.seesaw.me](https://app.seesaw.me)**
2. Your child logs in by clicking **I'm a Student**
3. We provided a unique Home Learning Code at the end of Term 2 for your child to log in at home: **Enter the text code** or **scan the QR code**

If you require another copy of this code, please contact your child's class teacher via the Seesaw Family app, or contact the school office.

**For help getting your child logged in, watch [this video](#).**

Year 2 students will be set Must Do activities each day for Phonics, Reading, Writing, Maths and either Geography, Science, PDHPE or Creative Arts. They will have the option to complete the activities set online (Seesaw) or complete the tasks detailed in the offline learning plan that do not require access to a digital device. This will also be posted to Seesaw and a hard copy will also be made available through the school office.

Best regards,

Mrs Tocher, Mrs Freund, Miss Iemma, Miss Moloney and Mrs Ridden
